

FAMILY SPACES

Kia ora & thank you 🧡

Thank you so much for choosing **FamilySpaces**.

Your Compact organiser board has been thoughtfully designed in Aotearoa to support calmer, more connected family life — without adding clutter or complexity.

We're so glad it's found its way into your home.

Ngā mihi nui,

Elizabeth & the FamilySpaces whānau

Before you start ✨ (important!)

Your board arrives with a **protective film** on the front to protect it during transit.

👉 **Please peel this off before using your board.**

If the surface looks cloudy or scratched, it's almost always the film.

Mounting your board

Your board can be mounted in **two different ways** — choose what works best for your space.

Option 1: 3M strips (no drilling)

This option is ideal for smooth walls and families who rent their home.

How to mount:

1. Ensure the wall surface is clean and dry
2. Attach the supplied **3M strips to the back of the board**
3. Position the board carefully before sticking
4. Press firmly and hold for 30 seconds
5. Allow time to fully adhere before writing on the board

- ✓ Best for lightweight use
- ✓ Easy to remove (following 3M instructions)

Option 2: Screws (most secure option)

This option is recommended for long-term placement or high-use areas.

How to mount:

1. Mark screw positions on the wall
2. Drill pilot holes if needed
3. Secure the board using appropriate wall screws and fixings
4. Ensure the board is level before fully tightening

- ✓ Most secure
- ✓ Ideal for busy family spaces

Using & caring for your board

Writing

- Use **whiteboard markers only**
- Avoid permanent or alcohol-based markers

Cleaning

- Wipe clean with a **soft, dry or microfibre cloth**
- For stubborn marks, use a **slightly damp cloth (water only)**
- Dry straight away

⊘ Please avoid harsh cleaners, sprays, paper towels, or scrubbing.

Love your board? 🌟

If you have a moment, we'd be so grateful if you could leave us a **Google Review**.
Your feedback helps other busy families find tools that genuinely support calmer homes.
